ABOUT THE MEETING

What is the Date, Time and Place of the Annual Meeting?

Watsco's 2004 Annual Shareholders' Meeting will be held on Tuesday, June 1, 2004, beginning at 9:30 a.m., local time, at the Wyndham Grand Bay Hotel, 2669 South Bayshore Drive, Coconut Grove, Florida 33133.

What is the purpose of the annual meeting?

At the annual meeting, shareholders will act upon the matters outlined in the notice of meeting on the cover page of this proxy statement, consisting of 1) the election of directors and 2) any other matters that properly come before the meeting. In addition, management will discuss the performance of the Company and respond to questions from shareholders.

Who is entitled to vote at the meeting?

Only our shareholders of record at the close of business on April 9, 2004, the record date for the meeting, are entitled to receive notice of and to participate in the annual meeting. If you were a shareholder of record on that date, you will be entitled to vote all of the shares you held on that date at the meeting, or any postponement(s) or adjournment(s) of the meeting. As of the record date, there were 22,828,649 shares of common stock outstanding (representing 28,193,499 shares issued less 5,364,850 shares held in treasury) and 3,750,035 shares of Class B common stock outstanding (representing 3,798,298 shares issued less 48,263 shares held in treasury), all of which are entitled to be voted at the annual meeting.

A list of shareholders will be available at our executive offices at 2665 South Bayshore Drive, Suite 901, Coconut Grove, Florida 33133 for a period of ten days prior to the annual meeting and at the annual meeting itself for examination by any shareholder.

What are the voting rights of the holders of Watsco common stock and Class B common stock?

Holders of common stock are entitled to one vote per share on each matter that is submitted to shareholders for approval and vote as a separate class to elect 25 percent of our directors (rounded up to the next whole number), which presently equates to three directors. Holders of Class B common stock are entitled to ten votes per share on each matter that is submitted to shareholders for approval and vote as a separate class to elect 75 percent of our directors (rounded down to the next whole number), which presently equates to six directors. Due to a vacancy that will exist on the board after the annual meeting, the board will consist of eight members. See summary of Business Matters to be Voted On under "Election of Directors."

Who can attend the meeting?

All shareholders as of the record date, or their duly appointed proxies, may attend the meeting, and each may be accompanied by one guest. Please also note that if you hold your shares in "street name" (that is, through a broker or other nominee), you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the record date.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of common stock and Class B common stock representing a majority of the combined voting power of the outstanding shares of stock on the record date will constitute a quorum, permitting the meeting to conduct its business. As of the record date, there were 22,828,649 shares of common stock outstanding and 3,750,035 shares of Class B common stock outstanding, all of which are entitled to be voted at the annual meeting.

As of the record date, our directors and executive officers and entities affiliated with these persons owned (i) common stock representing 3.4% of the outstanding shares of common stock and (ii) Class B common stock representing 84.7% of the outstanding shares of Class B common stock, together representing 59.3% of the aggregated combined votes of common stock and Class B common stock entitled to be cast at the annual meeting. Such persons and entities represent a majority of the combined voting power of the outstanding shares of stock on the record date and thus constitute a quorum and have informed us that they intend to vote all of their shares of common stock and Class B common stock in favor of all proposals set forth in the proxy statement.

What vote is required to approve each item?

For purposes of electing directors at the annual meeting, the nominees receiving the greatest numbers of votes of common stock and Class B common stock, voting as separate classes to the extent they are entitled to vote on a nominee shall be elected as directors. The affirmative vote of a majority of votes of common stock and Class B common stock present, in person or by proxy at the annual meeting and voting together as a single class, is required for the approval of any other matter that may be submitted to a vote of our shareholders.

Prior to the annual meeting, we will select one or more inspectors of election for the meeting. Such inspector(s) shall determine the number of shares of common stock and Class B common stock represented at the meeting, the existence of a quorum and the validity and effect of proxies, and shall receive, count and tabulate ballots and votes and determine the results thereof. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting for purposes of determining a quorum but will not be counted as votes cast “for” or “against” any given matter. If less than a majority of the combined voting power of the outstanding shares of common stock and Class B common stock are represented at the annual meeting, a majority of the shares so represented may adjourn the annual meeting from time to time without further notice.

What are the Board’s recommendations?

Watsco’s board of directors recommends a vote FOR the election of the respective nominees for director named in this proxy statement.

Unless contrary instructions are indicated on the enclosed proxy, all shares represented by valid proxies received pursuant to this solicitation (and which have not been revoked in accordance with the procedures set forth below) will be voted (a) FOR the election of the respective nominees for director named in this proxy statement and (b) in accordance with the recommendation of Watsco’s Board of Directors, FOR or AGAINST all other matters as may properly come before the annual meeting. In the event a shareholder specifies a different choice by means of the enclosed proxy, such shares will be voted in accordance with the specification made.

How do I vote?

You can vote in any of the following ways.

To vote by mail:

- Mark, sign and date your proxy card; and
- Return it in the enclosed envelope.

To vote in person if you are a registered shareholder:

- Attend our annual meeting;
- Bring valid photo identification; and

To vote in person if you hold in "street name:"

- Attend our annual meeting;
- Bring valid photo identification; and
- Obtain a legal proxy from your bank or broker to vote the shares that are held for your benefit, attach it to your completed proxy card and deliver it in person.

Can I change my vote after I return my proxy card?

Yes. The giving of a proxy does not eliminate the right to vote in person should any shareholder giving the proxy so desire. Shareholders have an unconditional right to revoke their proxy at any time prior to the exercise of that proxy, either in person at the annual meeting or by filing with our Secretary at our headquarters a written revocation or duly executed proxy bearing a later date; however, no such revocation will be effective until written notice of the revocation is received by us at or prior to the annual meeting.

Who pays for costs relating to the proxy statement and annual meeting of shareholders?

The cost of preparing, assembling and mailing this proxy statement, the Notice of Annual Meeting of Shareholders and the enclosed proxy card is to be borne by us. In addition to the use of mail, our directors, officers and employees may solicit proxies personally and by telephone, facsimile and other electronic means. They will receive no compensation in addition to their regular salaries. We may request banks, brokers and other custodians, nominees and fiduciaries to forward copies of the proxy material to their principals and to request authority for the execution of proxies. We may reimburse these persons for their expenses in so doing.

Compliance with Section 16(a) of the Securities Exchange Act of 1934—Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our officers, directors and persons who own more than ten percent of a registered class of our equity securities to file reports of ownership and changes in ownership on Forms 3, 4 and 5, as applicable, with the Securities and Exchange Commission (SEC), the New York Stock Exchange and the American Stock Exchange. Officers, directors and shareholders owning greater than ten percent of our common stock or Class B common stock are required by the SEC regulations to furnish us with copies of all Forms 3, 4 and 5 they file.

Based solely on our review of the copies of these forms received, the absence of a Form 3, 4, or 5 or representations from certain reporting persons that no Form 5 was required, we believe that all of our officers, directors, and greater than ten percent beneficial owners complied with all filing requirements applicable to them with respect to transactions during 2003, except that there were inadvertent failures to submit timely reports of the annual award issuances of common stock to Messrs. Alvarez, Manley and Moss and Ms. Menendez of 30,000, 3,375, 3,375 and 25,000 shares, respectively, which awards were filed on Form 4, on April 29, 2003, January 13, 2004, January 21, 2004 and January 12, 2004, respectively, issuances of awards of common stock to Messrs. Joseph, Sape and Weiser of 20,000 shares each in connection with their appointment to the Board of Directors which awards were filed on Form 5 on February 12, 2004 for Messrs. Joseph and Weiser and on Form 4 on January 12, 2004 for Mr. Sape and 2,000 shares of common stock gifted by Mr. Moss to his children which were filed on Form 5, as amended, on April 26, 2004.

SUMMARY OF BUSINESS MATTERS TO BE VOTED ON

Item 1.

ELECTION OF DIRECTORS

Our Amended and Restated Articles of Incorporation and Bylaws provide that our Board of Directors shall consist of not less than three nor more than nine members, and shall be divided, as nearly as possible, into three equal divisions to serve in staggered terms of office of three years. Upon election at the annual meeting, Mr. Bob L. Moss and Mr. Frederick H. Joseph, who were previously elected to serve terms expiring at the 2004 annual meeting of shareholders, will serve terms expiring at the 2005 annual meeting of shareholders or until their successors have been duly elected and qualified. Upon election at the annual meeting, Mr. George P. Sape, who was appointed as a director in November 2003 to fill a vacancy left by the death of Mr. Roberto Motta, will serve a term expiring at the 2006 annual meeting of shareholders or until his successor has been duly elected and qualified. Upon election at the annual meeting, Mr. Cesar L. Alvarez and Mr. Albert H. Nahmad, who were previously elected to serve terms expiring at the 2005 annual meeting of shareholders, will serve terms expiring at the 2007 annual meeting of shareholders or until their successors have been duly elected and qualified.

Our Nominating & Strategy Committee will determine whether a suitable candidate is available to fill the vacancy and, if such a candidate is located, the Board of Directors may appoint this candidate to fill the vacancy at a later date in accordance with the Company's Bylaws.

Mr. Joseph has been nominated as the director to be elected at the annual meeting by the holders of common stock voting separately as a class and proxies will be voted for Mr. Joseph absent contrary instructions. Mr. Joseph has served as a director since June 2003.

Four directors are to be elected at the annual meeting by the holders of Class B common stock voting separately as a class. Messrs. Alvarez, Moss, Nahmad and Sape have been nominated as directors to be elected by the holders of Class B common stock and proxies will be voted for Messrs. Alvarez, Moss, Nahmad and Sape absent contrary instructions. Messrs. Alvarez, Moss and Nahmad have served as directors since 1997, 1992 and 1973, respectively.

Each nominee has consented to serve as a director; however, in the event that a nominee for a directorship is unable to accept election or if any other unforeseen contingencies should arise, it is intended that proxies will be voted for the remaining nominees, if any, and for such other person as may be designated by the Board of Directors, unless it is directed by a proxy to do otherwise.

The Audit Committee's functions include overseeing the integrity of our financial statements, our compliance with legal and regulatory requirements, the selection and qualifications of our independent auditors, and the performance of our internal audit function and controls regarding finance, accounting, legal compliance and ethics that management and our Board of Directors have established. In this oversight capacity, the Audit Committee reviews the scope, timing and fees for the annual audit and the results of audit examinations performed by our internal auditors and independent public accountants, including their recommendations to improve the system of accounting and internal controls.

The Audit Committee operates under a formal charter that governs its duties and conduct. The Audit Committee Charter complies with applicable NYSE, AMEX and SEC rules and regulations. Nominating & Strategy Committee

During 2003, the members of the Nominating & Strategy Committee were Messrs. Alvarez and Nahmad. The Nominating & Strategy Committee is responsible for (a) establishing procedures for the selection and retention of members of the Board of Directors, (b) evaluating Board nominees and members and (c) recommending nominees. Who are the Presiding Directors and how may they be contacted?

The Board of Directors has designated either Paul Manley or Cesar Alvarez (on an alternating basis) as the "presiding director" as that term is defined in Section 303A.03 of the NYSE Listed Company Manual and Section 121A of the AMEX Company Guide. Shareholders or other interested parties wishing to communicate with our board of directors can call 800-4-WATSCO in the United States and request to leave a message for the presiding director. The presiding director will determine whether to relay your message to other members of the board.

How are directors compensated?

There are no arrangements or understandings with respect to the selection of officers or directors. We pay each director who is not an employee a \$1,000 fee for each meeting of the Board of Directors attended and reimburse directors for their expenses in connection with their activities as directors. In connection with his role as Audit Committee Chairman, Mr. Manley received an annual fee of \$70,000 in 2003 and is reimbursed for expenses associated with the performance of these activities. Effective October 2003, Mr. Manley's fee was increased to \$25,000 per quarter or \$100,000 on an annual basis. Our directors are also eligible to receive stock options under our 2001 Incentive Compensation Plan at the discretion of our Compensation Committee. During 2003, Messrs. Alvarez, Manley and Moss each received a stock option grant of 20,000, 3,375 and 3,375 shares, respectively. Also during 2003, Messrs. Joseph, Sape and Weiser each received a stock option grant of 20,000 shares in connection with their appointment to the Board of Directors.

AUDIT COMMITTEE MATTERS

Audit Committee's Pre-Approval and Procedures

The Audit Committee is responsible for the appointment, compensation, retention and oversight of the work of Ernst & Young LLP, our independent auditors. The independent auditors report directly to the Audit Committee. As part of their responsibility, the Committee established a policy requiring the pre-approval of all audit and permissible non-audit services performed by the independent auditor. In pre-approving services, the Audit Committee considers whether such services are consistent with the SEC's rules on auditor independence.

Prior to the engagement of the independent auditor for an upcoming audit/non-audit service period, defined as a twelve-month timeframe, Ernst & Young LLP submits a detailed list of services expected to be rendered during that period as well as an estimate of the associated fees for each of the following four categories of services to the Audit Committee for approval:

Audit Services consist of services rendered by an external auditor for the audit of the Company's annual consolidated financial statements (including tax services performed to fulfill the auditor's responsibility under generally accepted auditing standards) and reviews of financial statements included in Form10-Qs, and includes services that generally only an external auditor can reasonably provide, such as comfort letters, statutory audits, attest services, consents and assistance with and review of documents filed with the Securities and Exchange Commission.

Audit-Related Services consist of assurance and related services (e.g., due diligence) by an external auditor that are reasonably related to audit or review of financial statements, including employee benefit plan audits, due diligence related to mergers and acquisitions, accounting consultations and audits in connection with proposed or consummated acquisitions, internal control reviews, attest services related to financial reporting that are not required by statute or regulation, and consultation concerning financial accounting and reporting standards.

Tax Services consist of services not included in Audit Services above, rendered by an external auditor for tax compliance, tax consulting and tax planning.

Other Non-Audit Services are any other permissible work that is not an Audit, Audit-Related or Tax Service.

Circumstances may arise during the twelve-month period when it may become necessary to engage the independent auditor for additional services or additional effort not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval before engaging the independent auditor.

Audit and Non-Audit Fees

The table below summarizes the fees billed by our independent certified public accountant, Ernst & Young LLP for the fiscal years ended December 31, 2003 and 2002.

<u>Year</u>	<u>Audit</u>	<u>Audit Related</u>	<u>Tax</u>	<u>All Other</u>	<u>Total</u>
2003	\$540,300	\$47,200	\$164,000	—	\$751,500
2002	\$386,010	\$10,000	\$388,865	—	\$784,875

Audit fees represent fees for professional services rendered for the audit of our annual consolidated financial statements and the reviews of the interim financial statements included in our Forms 10-Q. The audit fees billed in 2003 include \$61,000 of additional billings related to the 2002 audit. Audit-related fees represent professional services related to the audit of the Watsco, Inc. 401(k) Profit Sharing and Retirement Plan and due diligence procedures performed in connection with the acquisitions made in 2003.

Tax fees represent professional services related to tax compliance and consulting.

The Audit Committee has considered the compatibility of the provision of services covered by the two preceding paragraphs with the maintenance of the principal accountant's independence from the Company and has determined that the provision of such services is not incompatible with the maintenance of such independence.

The Audit Committee annually reviews the performance of the independent auditors and the fees charged for their services.

Report of the Audit Committee

The role of the Audit Committee is to assist the Board of Directors in its oversight of the integrity of the Company's financial reporting process and compliance with legal and regulatory requirements. The Board of Directors, in its business judgment, has determined that each current member of the Audit Committee is "independent", as required by applicable listing standards of the New York Stock Exchange, American Stock Exchange and the Sarbanes-Oxley Act of 2002 and applicable SEC rules.

The Audit Committee reviews the Company's financial reporting process on behalf of the Company's Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls.

In response to the changing regulatory and business environment, upon recommendation of the Audit Committee, on April 26, 2004, the Board of Directors unanimously approved adoption of the revised Audit Committee Charter which is attached to this proxy statement as Appendix A.

In this context, the Audit Committee has met and held discussions with management and the Company's internal and independent auditors. The Audit Committee has reviewed and discussed the audited financial statements with management and the independent auditors. Consistent with the requirements of the Sarbanes-Oxley Act of 2002 and the rules promulgated thereunder, the Audit Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*.

In addition, the Audit Committee has discussed with the independent auditors the auditor's independence from the Company and management, including matters in the written disclosures provided by the independent auditors to the Audit Committee as required by the Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*.

The Audit Committee has discussed with the Company's internal and independent auditors the overall scope and plans for their respective audits. The Audit Committee has met with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee has approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2003.

What other compensation arrangements does the Company have with its executive officers?

Employment Agreement

Effective January 1, 2004, we amended and renewed an employment agreement with Mr. Nahmad, dated January 31, 1996. Under the terms of the employment agreement, Mr. Nahmad shall be employed as our President and Chairman of the Board at an annual salary of not less than \$850,000 and is entitled to an annual incentive award in accordance with the 2001 Incentive Compensation Plan. A portion of Mr. Nahmad's compensation is determined in accordance with an incentive plan which is attached to and incorporated in his employment agreement. The incentive plan operates such that in each year in which Mr. Nahmad's employment agreement is in effect, not later than 90 days after the end of the prior year, the Compensation Committee and Mr. Nahmad will mutually agree upon the performance based compensation which Mr. Nahmad will earn for the applicable year, if we achieve agreed upon benchmarks which are incorporated into the employment agreement via annual amendments. The benchmarks are measured by reference to either income before taxes, net income, earnings per share or common stock price. The incentive plan is administered by the Compensation Committee.

Life Insurance Arrangements

Messrs. Nahmad and Logan participated in reverse split dollar life insurance arrangements which provided the Company limited interests in the insurance policies, including death benefits plus any prepaid and unearned premiums. Under the insurance arrangements, Messrs. Nahmad and Logan retained all incidents of ownership in excess of the Company's limited interests. In April 2004, the Company, Mr. Nahmad and Mr. Logan terminated these insurance arrangements whereby the Company has no further obligation or benefits under the policies. The Company received payments of \$1,224,381 from Mr. Nahmad and \$58,935 from Mr. Logan, representing a return of unearned premiums related to the policies. In consideration of Watsco's cessation of its obligations under the insurance arrangements, the Compensation Committee granted Messrs. Nahmad and Logan 110,000 and 20,000 shares of restricted Class B common stock, respectively, issued out of the 2001 Incentive Compensation Plan.

Key Executive Deferred Compensation Agreement

The Company entered into a Key Executive Deferred Compensation Agreement on January 31, 1983 with Mr. Nahmad that provides benefits to Mr. Nahmad or his family upon disability, death or retirement or upon change in control of the Company. The minimum monthly benefit payable under the plan is based on Mr. Nahmad's length of service to age 65 and is the lesser of one-twelfth (1/12) of 10% of (i) \$727,000 plus certain amounts accrued for each year of service, or (ii) his maximum annual salary prior to the event triggering payment of benefits. The estimated minimum annual benefits payable to Mr. Nahmad upon retirement at age 65 and the service to us that will have been completed by him are \$72,700 and 33 years, respectively.

Were there any issues regarding compensation committee interlocks and insider participation during 2003?

The membership of the Compensation Committee of our Board of Directors in 2003 consisted of Messrs. Manley and Graham. In February 2004, Mr. Lopez was appointed to the Compensation Committee. Effective April 2004, Mr. Graham is no longer a member of the Compensation Committee. There were no Compensation Committee interlocks during the 2003 fiscal year.

Report of the Compensation Committee on Compensation of Executive Officers of the Company

The following represents the Report of the Compensation Committee relative to executive compensation:

The Company's executive compensation programs are based on three components: base salary, annual incentives and long-term compensation; each intended as an important piece of the overall compensation philosophy.

Base salary is used to attract and retain the Company's key executives and is calculated using comparisons with the Company's industry competitors and/or companies of similar market value. Salaries are reviewed by the Compensation Committee on an annual basis.

Annual incentives are a significant component of executive compensation, reflecting the Company's belief that management's contribution to long-term shareholder returns (via increasing stock prices and dividends) comes from maximizing earnings and the potential of the Company. The Company's Chief Executive Officer has an annual incentive opportunity based upon the increase in the earnings per share and stock price or, in earlier years, the pre-tax earnings of the Company. By its extensive reliance on this incentive compensation system, which has been employed by the Company for the Chief Executive Officer for more than ten years, the Company links a substantial portion of the Chief Executive Officer's annual pay directly to profits. As a result of this approach, the Company's Chief Executive Officer's total compensation is likely to vary from year to year more significantly than the pay of executives of many of the Company's competitors. This philosophy is essential to an entrepreneurial business such as the Company's business. Certain other executive officers and employees have their pay levels set primarily in relation to comparisons to similar executives of competitors, with additional annual incentives based on the attainment of specific objectives supporting the overall goals of the Company.

As discussed in more detail below, Mr. Nahmad and other key executives of the Company received a significant portion of their total compensation through incentive and other forms of long-term compensation. Effective January 1, 2004, the Compensation Committee renewed and amended the employment agreement between the Company and Mr. Nahmad.

In order to promote an increase in net worth of the Company, maximize the return to shareholders and effectively motivate senior management, the executive compensation philosophy of the Company has been to link compensation with Company performance. Therefore, Mr. Nahmad has received 50% of his aggregate cash compensation during the last three years from incentives. The Committee believes that this represents evidence of the strong and explicit link between executive compensation and the creation of long-term shareholder value.

In terms of long-term compensation, management incentives generally are provided to the Company's executives through grants of stock options and awards of restricted stock to retain and motivate executives to improve the Company's stock value. Stock options have been granted at an exercise price equal to the closing price of the Company's common stock or Class B common stock as reported by the New York Stock Exchange and the American Stock Exchange, respectively, on the day prior to the date of grant. Accordingly, grants of stock options produce value only if there are increases in the underlying stock price. The Company provides no defined benefit pension plan or supplemental executive retirement plan but does provide a 401(k) plan for all of its employees employed for at least one year.

The Company provides certain executives awards of restricted stock that are designed to focus such executives on the long-term performance of the Company for the duration of their careers. Grants of restricted stock are subject to forfeiture until certain specified events occur (generally, the employees' retirement age, death, disability or a change in control). These features result in the Company's ability to retain, throughout their entire careers, those individuals who are key to the creation of shareholder value. During 2003, Mr. Nahmad was granted 222,152 shares of restricted Class B common stock in accordance with his employment agreement.

Decisions with regard to compensation of the Company's executives are made by the members of the Compensation Committee, which has meetings at least once a year and is called upon to meet more often when the need arises. Each member of the Compensation Committee is a non-employee director. The executive compensation practices of the Company are constantly re-evaluated to ensure their relevance, their support of the strategic goals of the Company and their contribution to the creation of long-term shareholder value.

Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”) generally disallows a public company’s deduction for compensation to any one employee in excess of \$1 million per year unless the compensation is pursuant to a plan approved by the public company’s shareholders.

CORPORATE GOVERNANCE

We operate within a comprehensive plan of corporate governance for the purpose of defining responsibilities, setting high standards of professional and personal conduct and assuring compliance with such responsibilities and standards. We regularly monitor developments in the area of corporate governance. In July 2002, Congress passed the Sarbanes-Oxley Act of 2002 which, among other things, establishes, or provides the basis for, a number of new corporate governance standards and disclosure requirements. In addition, the New York Stock Exchange and American Stock Exchange have recently adopted changes to their corporate governance and listing requirements. We have adopted the requirements of the Sarbanes-Oxley Act, NYSE, AMEX and SEC rules as they relate to us. Our Corporate Governance Guidelines are included in Appendix C and are publicly available on our website at <http://www.watsco.com>.

EMPLOYEE CODE OF BUSINESS ETHICS AND CONDUCT

We maintain an Employee Code of Business Ethics and Conduct that is applicable to all employees. Additionally, we maintain a Code of Conduct for Senior Executives that is applicable to members of our Board of Directors, executive officers and senior operating and financial personnel, including provisions applicable to our senior financial officers consistent with the Sarbanes-Oxley Act of 2002. These codes require continued observance of high ethical standards such as honesty, integrity and compliance with the law in the conduct of the Company's business. These codes are publicly available on our website at <http://www.watsco.com>. We intend to post on our website amendments to or waivers from our Code of Conduct for Senior Executives (to the extent applicable to our chief executive officer, principal financial officer or principal accounting officer or directors). There were no amendments or waivers from our Code of Conduct for Senior Executives. Violations under either code of conduct must be reported to the Audit Committee. These materials may also be requested in print by writing to the Company's Investor Relations Department at Watsco, Inc., Investor Relations, 2665 South Bayshore Drive, Suite 901, Coconut Grove, FL 33133.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The following is a summary of certain agreements and transactions among related parties and us. It is our policy that any such agreements and transactions must be entered into in good faith and on fair and reasonable terms that are no less favorable to us than those that would be available to us in a comparable transaction in arms-length dealings with an unrelated third party. We believe that all agreements and transactions described below met that standard at the time they were effected.

On April 15, 2002, prior to the enactment of the Sarbanes-Oxley Act of 2002, we granted Mr. Logan, our Senior Vice President, a loan in the amount of \$160,000. The loan bore interest at 5%, payable annually. The loan was approved by the Compensation Committee of our Board of Directors and was made on substantially the same terms as those prevailing at the time for comparable transactions with unrelated persons and did not involve more than normal risk of collectibility. The loan was repaid, including accrued interest, in June 2003. We have complied with and will operate in a manner consistent with legislation enacted in July 2002 prohibiting extensions of credit in the form of a personal loan to or for our directors and executive officers.

Mr. Alvarez, a director, is the President and Chief Executive Officer of Greenberg Traurig ("Greenberg"), P.A., which serves as one of our outside legal counsels and receives customary fees for legal services. During 2003, we paid this firm \$195,734 for services performed. We currently anticipate that this arrangement will continue.

A copy of our annual report on Form 10-K for the fiscal year ended December 31, 2003, including the financial statements and the schedules thereto, but excluding exhibits thereto, will be made available without charge to interested shareholders upon written request to us.

INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

The firm of Ernst & Young LLP, independent certified public accountants, has been our auditor since 2002 and has advised us that the firm does not have any direct financial interest or indirect financial interest in the Company or any of its subsidiaries. The Audit Committee has determined that Ernst & Young LLP will be our independent public accountants for the fiscal year 2004. It is expected that representatives of such firm will (i) attend the annual meeting, (ii) have an opportunity to make a statement if they desire to do so, and (iii) be available to respond to appropriate questions.

OTHER BUSINESS

The Board of Directors knows of no other business to be brought before the annual meeting. If, however, any other business should properly come before the annual meeting, the persons named in the accompanying proxy will vote proxies as in their discretion they may deem appropriate, unless they are directed by a proxy to do otherwise.

INFORMATION CONCERNING SHAREHOLDER PROPOSALS

Shareholders interested in presenting a proposal for consideration at our 2005 annual meeting of shareholders may do so by following the procedures prescribed in Rule 14a-8 promulgated by the Securities and Exchange Act of 1934. To be eligible for inclusion in the proxy statement and form of proxy relating to the meeting, shareholder proposals must be received by the Corporate Secretary no later than January 3, 2005. Any shareholder proposal submitted other than for inclusion in the proxy materials for that meeting must be delivered to the Company no later than March 17, 2005, or such proposal will be considered untimely. If a shareholder proposal is received after March 17, 2005, we may vote in our discretion as to the proposal all of the shares for which the Company has received proxies for the 2005 annual meeting of the shareholders.

The Committee shall not have any member serve on the audit committee of more than three public corporations, including the Company, unless the Board of Directors:

- (ii) discloses such determination in the annual proxy statement.

PROCESS

The Committee shall carry out its responsibilities by use of both the internal audit department of the Company and the Company's independent auditors to determine both the adequacy of the Company's internal control systems and the internal control environment at the Company including its various subsidiaries. It shall be the Chairperson's responsibility to at all times involve the other members of the Committee in any actions he or she deems material. The Chairperson shall either promptly mail (or e-mail) to

the other committee members a description of all actions he takes between meetings or shall at the meeting following any action he has taken independently between meetings, fully bring all other members up to date. 1. By March 30 determine with the CEO his base salary and incentive compensation for that year so that such compensation will qualify under IRS Section 162(m).

WATSCO, INC.
CORPORATE GOVERNANCE GUIDELINES

The Board of Directors (the “Board”) of Watsco, Inc. (the “Company”) has adopted these corporate governance guidelines to promote the effective functioning of the Board and its committees, to promote the interests of stockholders, and to ensure a common set of expectations as to how the Board, its various committees, individual directors and management should perform their functions.

Selection of Directors. The Nominating & Strategy Committee is responsible for identifying, screening, and recommending candidates to the Board. The Board is responsible for nominating candidates for election at the next meeting of shareholders and for filling vacancies that occur between annual meetings of shareholders based on the recommendation of the Nominating & Strategy Committee.

Board Membership Criteria. The Nominating & Strategy Committee is responsible for determining the appropriate skills and characteristics required of directors. The Nominating & Strategy Committee shall consider the following criteria in making its recommendations to the Board:

- Judgment, character and knowledge useful to the oversight of the Company’s business;
- Business or other relevant experience, including business-building skills and financial expertise;
- Chemistry with other Board members that will build a Board that is effective, collegial and responsive to the needs of the Company.

Expectations for Directors. The Board has developed a number of specific expectations of directors to promote the efficient and effective conduct of the Board’s business. It is understood that the non-management directors are not full-time employees of the Company.

- **Commitment and Attendance.** All directors should make every effort to attend meetings of the Shareholders, Board and the Committees of which they are members. Attendance by telephone may be used to facilitate a director’s attendance.
- **Participation in Meetings.** Each director should be sufficiently familiar with the business of the Company, including its financial statements and significant business risks, to ensure active and effective participation as a Board member or as a member of the Committee on which he or she serves. Directors should also review the materials in advance of the meetings of the Board and its Committees to be prepared to discuss meeting topics.
- **Loyalty and Ethics.** In their roles as directors, all directors owe a duty of loyalty to the Company. This duty of loyalty mandates that the best interests of the Company take precedence over any interest possessed by a director. The Company has adopted a Code of Conduct for Senior Executives (the “Senior Executive Code”). Certain portions of the Senior Executive Code deal with activities of directors, particularly with respect to potential conflicts of interest, the taking of corporate opportunities for personal use, and transactions in the securities of the Company.
- **Confidentiality.** Board and committee discussions shall be confidential. Each director shall maintain the confidentiality of information received in connection with his or her service as a director.

Number of Independent Directors on Board. A majority of the Board shall be independent.

Determination of Director Independence. The Board of Directors reviews the status of each director and determines whether directors meet independence requirements. To assist the directors in making determinations of director independence, the Board has adopted a definition of director independence which is included at the end of these guidelines.

Director Compensation. Non-employee directors receive compensation for their board service. Employee directors do not receive compensation for their board service. The Nominating & Strategy Committee reviews directors' remuneration and recommends any changes to the Board.

Board and Committee Meetings. There are four regularly scheduled Board meetings each year; additional meetings may be held as needed. The Chairman presents an agenda at the beginning of each meeting and additional agenda items may be added as needed. Committees prepare their own calendar of meetings and agendas. Materials for Board and committee meetings are distributed in advance to the extent reasonably possible.

Committees. The Board has three standing committees: Nominating & Strategy, Audit and Compensation. Only independent directors may serve on the Audit and Compensation Committees.

Executive Sessions. The non-management directors shall meet in executive session regularly. Paul Manley and Cesar Alvarez shall rotate as the presiding directors for executive sessions of the non-management directors.

Director Access to Management. All directors shall be free to contact the CEO at any time to discuss any aspect of the Company's business and shall also have access to other members of the Company's senior management. Such members of senior management who are not Board members, as well as the leadership of the Company's subsidiaries, may be invited to attend Board and committee meetings to participate and to provide a greater understanding of the Company's activities.

Director Access to Independent Advisors. The Audit Committee confers with the Board regarding the retention of, and meets regularly with, the Company's outside auditors, and is responsible for the appointment, compensation, retention and oversight of the work of the Company's outside auditors and approves any significant audit or non-audit work by the Company's outside auditors. The Chairperson of each committee has the sole authority to retain consultants or other experts to provide them advice.

Director Orientation & Education. The Chairman of the Board shall provide orientation and education for directors, either individually or in group settings, which may include discussions of company history, strategies, opportunities and the like. Such discussions may be conducted at the Company or by travel in formal, informal or social settings (with or without spouses). Such orientation and education may also include members of senior management or with others who have business relationships with the Company.

Evaluations. The Board shall evaluate its performance annually, led by the Nominating & Strategy Committee. Each committee evaluates its performance annually and reviews the results of its evaluation with the full Board.

Management Succession. The Board will maintain succession planning policies and principles for CEO selection and performance review, as well as policies in the event of the CEO's retirement or should something unexpectedly occur that prevents him from fulfilling his duties.

Guidelines for Determining Director Independence

A director will be considered independent only if the Board has affirmatively determined that the director has no material relationship with the Company that would impair his or her independent judgment. The Board will review factors affecting independence at the time a director is proposed for election or re-election. In the process of making such determinations, the Board will consider the nature, extent and materiality of the director's relationships with the Company and the Board will apply the following guidelines:

A director will be deemed not to be independent by the Board of Directors if the Board finds that:

- (a) a director is employed by the Company or a director's immediate family member is employed by the Company as an executive officer;
- (b) a director or a director's immediate family member receives more than \$60,000 per year in compensation from the Company, other than director and committee fees, pension or other forms of deferred compensation that is for prior service and not contingent upon continued service, compensation for former service as an interim Chairman or CEO, or compensation received by an immediate family member for service as an employee below the level of executive officer;
- (c) a director or a director's immediate family member, who serves in a professional capacity, is affiliated with or employed by or as one of the Company's current or previous internal or external auditors;
- (d) a director or a director's immediate family member is employed as an executive officer by another entity whose compensation committee includes any executive of the Company;
- (e) a director is currently employed, or a director's immediate family member is currently employed as an executive officer, by an entity (other than a charity) that makes payments to, or receives payments from, the Company for goods or services in an amount that exceeds, in a single fiscal year, the greater of \$200,000 or two percent of that entity's consolidated gross revenues; or
- (f) any of the situations described in (a), (b), (c), (d) or (e) above existed within the past three years.

Additionally, the Company will disclose in its Annual Proxy Statement any charitable contributions to any charitable organization in which a director serves as an executive officer, if within the preceding three years, contributions, excluding matching gifts, in a single fiscal year exceeded the greater of \$1 million or two percent of the charitable organization's consolidated gross revenues, and, in such case, the Board will consider the materiality of such contributions.

A director will be deemed not to be independent by the Board of Directors if the Board finds that a Director has material business arrangements with the Company which would jeopardize the Director's judgment. The Board will review for materiality all business arrangements between the Company and the Director and all business arrangements between the Company and an entity for which the Director serves as an officer or general partner or owns more than five percent. Arrangements are not material and not likely to jeopardize the Director's judgment, and thereby his/her independence, if:

- (a) the arrangements are usually and customarily offered to customers by the Company;
- (b) the arrangements are offered on substantially similar terms as those prevailing at the time for comparable transactions with other customers under similar circumstances;

(c) in the event that (i) a proposed arrangement were not made or (ii) an existing arrangement were terminated in the normal course of business, that action would not reasonably be expected to have a material and adverse effect on the financial condition, results of operations, or business of the recipient.

In applying the factors listed in (a) through (c) above, the Board will consider such other factors as it may deem necessary to arrive at sound determinations as to the independence of each Director, and such factors may override the conclusions of independence or non-independence that would be reached simply by applying the guidelines. In such cases, the basis for independence determinations will be disclosed in the Company's Annual Proxy Statement.

The Board of Directors of the Company have adopted these guidelines for determining the independence of directors; the guidelines are consistent with Securities and Exchange Commission rules implementing the Sarbanes-Oxley Act of 2002 and with NYSE and AMEX listing standards. The Board has determined that a substantial majority of the directors is independent and that all of the directors serving on the Audit and Compensation Committee are independent.
