DATE, TIME AND PLACE OF ANNUAL MEETING

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Watsco, Inc., a Florida corporation (the 'Company'), of proxies from the holders of the Company's Common Stock, par value \$.50 per share (the 'Common Stock'), and the Company's Class B Common Stock, par value \$.50 per share (the 'Class B Common Stock'), for use at the 1995 Annual Meeting of Shareholders (the 'Annual Meeting') of the Company to be held at 10:00 A.M., Eastern Standard Time, on Monday, June 5, 1995, at the Grand Bay Hotel, 2669 South Bayshore Drive, Coconut Grove, Florida 33133, and at any adjournments or postponements thereof (the 'Annual Meeting'), pursuant to the enclosed Notice of Annual Meeting. This Proxy Statement and the enclosed form of proxy are first being sent to holders of Common Stock and Class B Common Stock on or about April 28, 1995. Shareholders should review the information provided herein in conjunction with the Company's 1994 Annual Report to Shareholders (the '1994 Annual Report') which accompanies this Proxy Statement. The complete mailing address, including zip code, of the Company's principal executive office, is 2665 South Bayshore Drive, Suite 901, Coconut Grove, Florida 33133.

INFORMATION CONCERNING PROXY

The enclosed proxy is solicited on behalf of the Company's Board of Directors. The giving of a proxy does not preclude the right to vote in person should any shareholder giving the proxy so desire. Shareholders have an unconditional right to revoke their proxy at any time prior to the exercise thereof, either in person at the Annual Meeting or by filing with the Company's Secretary at the Company's headquarters a written revocation or duly executed proxy bearing a later date; however, no such revocation will be effective until written notice of the revocation is received by the Company at or prior to the Annual Meeting.

The cost of preparing, assembling and mailing this Proxy Statement, the Notice of Annual Meeting of Shareholders and the enclosed proxy is to be borne by the Company. In addition to the use of mail, employees of the Company may solicit proxies personally and by telephone and telegraph. They will receive no compensation therefor in addition to their regular salaries. The Company may request banks, brokers and other custodians, nominees and fiduciaries to forward copies of the proxy material to their principals and to request authority for the execution of proxies. The Company may reimburse such persons for their expenses in so doing.

#### PURPOSES OF THE MEETING

At the Annual Meeting, the Company's shareholders will consider and vote upon the following matters:

(1) To elect three members to the Company's Board of Directors to hold office until the 1998 Annual Meeting of Shareholders or until their successors are duly elected and qualified, one of whom will be elected by the holders of Common Stock and two of whom will be elected by the holders of Class B Common Stock;

(2) To consider and act upon a proposal to approve an amendment to the Company's Amended and Restated Articles of Incorporation to increase the number of authorized shares of Common Stock, par value of \$.50 per share, to 40,000,000;

(3) To ratify the reappointment of Arthur Andersen LLP as the Company's independent certified public accountants for the year ended December 31, 1995; and

(4) To transact such other business as may properly come before the Annual Meeting and any adjournments or postponements thereof.

Unless contrary instructions are indicated on the enclosed proxy, all shares represented by valid proxies received pursuant to this solicitation (and which have not been revoked in accordance with the procedures set forth above) will be voted (a) for the election of the respective nominees for director named below to be elected by the holders of Common Stock and by the holders of Class B Common Stock (see 'Outstanding Voting Securities and Voting Rights'), and (b) in favor of all other proposals described in the Notice of Annual Meeting. In the event a shareholder specifies a different choice by means of the enclosed proxy, such shares will be voted in accordance with the specification so made.

#### OUTSTANDING VOTING SECURITIES AND VOTING RIGHTS

The Board of Directors has set the close of business on April 17, 1995, as the record date (the 'Record Date') for determining shareholders of the Company entitled to notice of and to vote at the Annual Meeting. As of the Record Date, there were 3,106,712 shares of Common Stock and 996,185 shares of Class B Common Stock issued and outstanding, all of which are entitled to be voted at the Annual Meeting. Holders of Common Stock are entitled to one vote per share on each matter that is submitted to shareholders for approval, and vote as a separate class to elect 25 percent of the directors of the Company (rounded up to the next whole number), which presently equates to three directors. Holders of Class B Common Stock are entitled to ten votes per share on each matter that is submitted to shareholders for approval and vote as a separate class to elect 75 percent of the directors (rounded down to the next whole number), which presently equates to six directors. See 'Election of Directors.'

The attendance, in person or by proxy, of the holders of Common Stock and Class B Common Stock representing a majority of the combined voting power of the outstanding shares of such stock entitled to vote at the Annual Meeting is necessary to constitute a quorum. For purposes of electing directors at the

Annual Meeting, the nominees receiving the greatest number of votes of Common Stock and Class B Common Stock, voting as separate classes, shall be elected as directors. The affirmative vote of (i) a majority of votes of Common Stock present, in person or by proxy at the Annual Meeting and voting together as a single class, and (ii) a majority of votes of Class B Common Stock present, in person or by proxy at the Annual Meeting and voting together as a single class, is required for the approval of the proposal to amend the Company's Amended and Restated Articles of Incorporation to increase the number of authorized shares of Common Stock to 40,000,000. The affirmative vote of a majority of votes of Common Stock and Class B Common Stock present, in person or by proxy at the Annual Meeting and voting together as a single class, is required for the approval of (i) the proposal to ratify the reappointment of Arthur Andersen LLP as the Company's independent certified public accountants for the year ended December 31, 1995; and (ii) any other matter that may be submitted to a vote of the Company's shareholders.

As of the Record Date, the directors and executive officers of the Company and certain entities affiliated with such persons beneficially owned (i) Common Stock representing approximately 17% of the outstanding shares of Common Stock, (ii) Class B Common Stock representing approximately 53% of the outstanding shares of Class B Common Stock and (iii) approximately 44% of the aggregate combined votes of Common Stock and Class B Common Stock entitled to be cast at the Annual Meeting. Such persons and entities have informed the Company that they intend to vote all of their shares of Common Stock and Class B Common Stock in favor of all proposals set forth in the Proxy Statement.

Prior to the Annual Meeting, the Company will select one or more inspectors of election for the meeting. Such inspector(s) shall determine the number of shares of Common Stock and Class B Common Stock represented at the meeting, the existence of a quorum and the validity and effect of proxies, and shall receive, count and tabulate ballots and votes and determine the results thereof. Abstentions will be considered as shares present and entitled to vote at the Annual Meeting and will be counted as votes cast at the Annual Meeting, but will not be counted as votes cast for or against any given matter.

A broker or nominee holding shares registered in its name, or in the name of its nominee, which are beneficially owned by another person and for which it has not received instructions as to voting from the beneficial owner, may have discretion to vote the beneficial owner's shares with respect to the election of directors and other matters addressed at the Annual Meeting. Any such shares which are not represented at the Annual Meeting either in person or by proxy will not be considered to have cast votes on any matters addressed at the Annual Meeting.

BENEFICIAL SECURITY OWNERSHIP

The following table sets forth as of the Record Date, information with respect to the beneficial ownership of the Company's Common Stock and Class B Common Stock by (i) each shareholder known by the Company to beneficially own more than 5% of any class of the Company's voting securities, (ii) each director of the Company who owns any such shares, and (iii) all directors and executive officers as a group. The table also sets forth, in its final column, the combined voting power of the voting securities on all matters presented to the shareholders for their approval except for the election of directors and for such separate class votes as are required by Florida law.

I.  
ELECTION OF DIRECTORS

NOMINEES

The Company's Amended and Restated Articles of Incorporation and Bylaws provide that the Board of Directors shall consist of not less than three nor more than nine members, and shall be divided, as nearly as possible, into three equal divisions to serve in staggered terms of office of three years. Each director elected at the Annual Meeting will serve for a term expiring at the 1998 Annual Meeting of Shareholders or until his successor has been duly elected and qualified.

One director is to be elected at the Annual Meeting by the holders of Common Stock, voting separately as a class. Mr. James S. Grien has been nominated as the director to be elected by the holders of Common Stock and proxies will be voted for Mr. Grien absent contrary instructions. Mr. Grien has served as a Director of the Company since 1994.

Two directors are to be elected at the Annual Meeting by the holders of Class B Common Stock voting separately as a class. Messrs. Fleeman and Moss, who have served as directors of the Company since 1977 and 1992, respectively, have been nominated as the directors to be elected by the holders of Class B Common Stock and proxies will be voted for Messrs. Fleeman and Moss absent contrary instructions.

The Board of Directors has no reason to believe that any nominee will refuse to act or be unable to accept election; however, in the event that a nominee for a directorship is unable to accept election or if any other unforeseen contingencies should arise, it is intended that proxies will be voted for the remaining nominees, if any, and for such other person as may be designated by the Board of Directors, unless it is directed by a proxy to do otherwise.

Officers, directors

and greater than ten percent shareholders are required by the SEC regulations to furnish the Company with copies of all Forms 3, 4 and 5 they file.

Based solely on the Company's review of the copies of such forms it has received, the Company believes that all its officers, directors, and greater than ten percent beneficial owners complied with all filing requirements applicable to them with respect to transactions during fiscal 1994.

(2) In 1994 and 1993, these amounts represent the Company's contribution to the Watsco, Inc. Amended and Restated Profit Sharing Retirement Plan and Trust (the 'Profit Sharing Plan'). In 1992, these amounts represent for Mr. Nahmad, forgiveness of indebtedness of \$52,440 to the Company authorized by the Company's Board of Directors for services rendered to the Company in 1992 and the Company's contributions to the Profit Sharing Plan. The Profit Sharing Plan is qualified under Section 401(k) of the Internal Revenue Code of 1986, as amended.

(3) Mr. Nahmad is employed pursuant to an employment agreement as the Company's President and Chairman of the Board until January 31, 1996 which provides for an annual base salary of not less than \$325,000. The agreement contains certain noncompete covenants pursuant to which, for a period of two years after termination of employment for any reason, Mr. Nahmad agrees not to engage in any employment competitive with any business engaged in by the Company at the time of termination of his employment in the areas in which the Company is engaged in such business.

(4) In 1994, includes a bonus of \$200,000 paid to Mr. Nahmad which normally would have been paid in 1995. In 1993, includes a bonus of \$212,000 paid to Mr. Nahmad which normally would have been paid in 1994. In 1992, includes bonuses of \$420,000 and \$49,000 paid to Mr. Nahmad and Mr. Newman, respectively, which would normally have been paid in 1993; the Compensation Committee approved payment of these bonuses in order to take advantage of the 1992 income tax rate change and tax withholding requirements.

EMPLOYMENT AGREEMENT

Effective January 1991, the Company renewed the employment agreement with Albert H. Nahmad for a 5-year term. Pursuant to the agreement, Mr. Nahmad is employed as the Company's President until January 31, 1996 and is entitled to receive an annual salary of not less than \$325,000.

REVERSE SPLIT DOLLAR AGREEMENT

The Company's executive officers participate in a reverse split dollar insurance program which provides the Company limited interests in the insurance policies, including death benefits aggregating approximately \$5 million plus any prepaid and unearned premiums. Under the insurance program, the officers retain all incidents of ownership in excess of the Company's limited interests.

KEY EXECUTIVE DEFERRED COMPENSATION AGREEMENT

The Company entered into a Key Executive Deferred Compensation Agreement (the 'Deferred Compensation Agreement') on January 31, 1983, with Mr. Nahmad that provides benefits to Mr. Nahmad or his family upon disability, death or retirement or upon change in control of the Company. The minimum monthly benefit payable under the plan is based on Mr. Nahmad's length of service to age 65 and is the lesser of one-twelfth (1/12) of 10% of (i) \$727,000 plus certain amounts accrued for each year of service, or (ii) his maximum annual salary prior to the event triggering payment of benefits. The estimated minimum annual benefits payable to Mr. Nahmad upon retirement at age 65 and the service to the Company that will have been completed by him are \$72,700 and 33 years, respectively.

## COMMITTEES' REPORT TO SHAREHOLDERS

The Company's executive compensation programs are based on three components: base salary, annual incentives, and long-term compensation; each intended as an important piece of the overall compensation philosophy.

Base salary is used to attract and retain the Company's key executives and is calculated using comparisons with the Company's industry competitors and/or companies of similar market value. Salaries are reviewed by the Compensation Committee on an annual basis.

Annual incentives are a significant component of executive compensation, reflecting the Company's belief that management's contribution to shareholder returns (via increasing stock prices and dividends) comes from maximizing earnings and the potential of the Company. Each executive officer has an annual incentive opportunity based upon a percentage of pre-tax earnings of the Company. By its extensive reliance on this incentive compensation system, which has been employed by the Company for the Chief Executive Officer without material change for more than 5 years, the Company links a substantial portion of the executive officers' annual pay directly to profits. As a result of this approach, the Company's executives' total compensation is likely to vary from year to year more significantly than the pay of executives of many of the Company's competitors. This philosophy is essential to an entrepreneurial business such as the Company's business. Certain other employees have their pay levels set primarily in relation to comparisons to similar executives of competitors, with additional annual incentives based on the attainment of specific objectives supporting the overall goals of the Company.

In terms of long-term compensation, management incentives generally are provided through annual grants of stock options to the Company's executives to retain and motivate executives to improve the Company's stock value. Stock options have been granted at an exercise price equal to the closing price of the Company's Common Stock or Class B Common Stock as reported by the New York Stock Exchange and the American Stock Exchange, respectively, on the day prior to the date of grant. Accordingly, grants of stock options will produce value only if there are increases in the underlying stock price. There were no grants of stock options to executive officers in 1994. The Company provides no defined benefit pension plan nor supplemental executive retirement plan but does provide a 401(k) plan for all of its employees employed for at least one year.

In 1994, the Company's pre-tax earnings increased to \$12,028,000, up 33% from \$9,017,000 in 1993 (excluding non-recurring income from insurance proceeds following Hurricane Andrew), despite continued economic weakness in California, one of the Company's primary markets. These results include the full-year operation of Comfort Supply Inc., acquired in May 1993, which positioned the Company in the very important Texas market. During the last five years, a time period among the most challenging faced in the history of the home building industry, management through its strategy of acquisitions and capturing replacement market share has achieved consistent growth in earnings and has been successful in positioning the Company as a clear leader in the residential central air conditioner industry in Florida, California and Texas, the three largest air conditioner markets in the United States.

These successful efforts of the Company's management team were led by the Company's President and Chief Executive Officer, Albert H. Nahmad. Mr. Nahmad's base compensation was increased during 1994 to \$368,391, representing a 3% cost of living increase from his 1993 base salary. As discussed in more detail below, Mr. Nahmad and other key executives of the Company received a significant portion of their total compensation through incentive compensation.

In order to promote an increase in net worth of the Company, maximize the return to shareholders and effectively motivate senior management, the executive compensation philosophy of the Company has been to link compensation with Company performance. In order to take advantage of income tax rates prevailing at the time, the Committee approved the payment of bonuses to executive officers in 1992 which normally would have been paid in 1993 and certain bonuses in 1993 and 1994 which normally would have been paid in 1994 and 1995, respectively. Therefore Mr. Nahmad received 59% of his cash compensation related to 1994 from incentives. The Committee believes that this represents evidence of the strong and explicit link between executive compensation and the creation of shareholder value.

Decisions with regard to compensation of the Company's executives are made by the two-member Compensation Committee, which has meetings at least once a year and is called upon to meet more often when the need arises. Decisions with regard to stock options for all employees of the Company are made by the two-member Stock Option Committee, which is called upon to meet when the need arises. Each member of the Committees is a non-employee director. The executive compensation practices of the Company are constantly re-evaluated to ensure their relevance, their support of the strategic goals of the Company and their contribution to the creation of shareholder value.

The above Committees' Report to Shareholders of the Compensation and Stock Option Committees and the Company's Common Stock Price Performance Graph which follows shall not be deemed to be incorporated by reference by any general statement incorporating this Proxy Statement by reference into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates this information by reference.

In December 1993, the Internal Revenue Service issued proposed regulations concerning compliance with Section 162(m) of the Internal Revenue Code of 1986, as amended (the 'Code'). Section 162(m) generally disallows a public company's deduction for compensation to any one employee in excess of \$1 million per year unless the compensation is pursuant to a plan approved by the public company's shareholders. Amounts payable to Mr. Nahmad pursuant to his current employment agreement are excluded under Section 162(m) as his current employment agreement was in effect prior to February 17, 1993 and has not been materially modified. Accordingly, the Compensation Committee does not anticipate that the Named Executive Officers will receive annual cash compensation in excess of the \$1 million cap provided in Section 162(m) in 1995. The Compensation Committee intends to take the necessary steps to ensure compliance with Section 162(m) of the Code when Mr. Nahmad's present employment agreement expires and by proposing, within the time permitted under Section 162(m), an amendment to the Company's stock option plan to provide a limitation on the number of shares for which options may be granted to any one participant.

PROPOSAL TO AMEND

THE AMENDED AND RESTATED ARTICLES OF INCORPORATION

The Company's Amended and Restated Articles of Incorporation presently authorizes 10,000,000 shares of Common Stock, par value of \$.50 per share, and 4,000,000 shares of Class B Common Stock, par value of \$.50 per share. The Company's Board of Directors has approved an amendment to Article III, paragraph A. of the Company's Amended and Restated Articles of Incorporation, which, if adopted by the shareholders, will increase the number of authorized shares of Common Stock of the Company from 10,000,000 to 40,000,000.

On April 18, 1995, the Company's Board of Directors authorized a 3-for-2 stock split (the 'Stock Split') for both classes of its common stock. The Stock Split is payable on May 15, 1995 to shareholders of record as of April 28, 1995. Assuming the effect of the Stock Split as of the Record Date, the Company's issued and outstanding shares of Common Stock amounted to 4,660,068 shares (3,106,712 shares of Common Stock prior to the effect of the Stock Split). In addition, as of the Record Date, assuming the effects of the Stock Split, the Company has reserved for future issuance 3,081,915 shares of Common Stock (2,054,610 shares of Common Stock prior to the effects of the Stock Split) related to the issuance, conversion, exercise or exchange of shares of Common Stock related to the Company's stock option plans, outstanding Common Stock warrants, future contributions made by the Company to the Profit Sharing Plan and conversion of shares of Class B Common Stock.

The Board of Directors believes that it is in the best interest of the Company to increase the number of authorized shares of Common Stock to 40,000,000 so that there will be a substantial number of authorized but unissued shares of Common Stock that may be issued, at the discretion of the Board of Directors, and in such amounts, for such purposes and on such terms as the Board of Directors may determine, without further shareholder approval except as may be required by applicable laws, rules or regulations. The Board of Directors believes that, although no future transactions involving the issuance of Common Stock are presently contemplated (other than those required by the Stock Split), the increase in the number of authorized shares of the Company's Common Stock will give the Company added flexibility to act in the future with respect to equity offerings, acquisitions, financing programs, stock dividends or splits, corporate planning and other corporate transactions without the delay and expense of shareholder action each time an

opportunity requiring the issuance of shares of Common Stock arises. No holder of the Company's Common Stock has any preemptive right to subscribe for any securities of the Company. Future issuance of Common Stock could result in dilution of voting power to existing shareholders at the time of issuance.

In addition to the aforementioned purposes, an increase in the number of shares of Common Stock could also be used to make a change in the control of the Company more difficult. Furthermore, the existence of such additional authorized shares of Common Stock might have the effect of discouraging any attempt by a person or entity, through the acquisition of a substantial number of shares of Common Stock, to acquire control of the Company since the issuance of additional shares could dilute the Common Stock ownership of such person or entity. The Company is not aware of any such action that may be proposed or pending.

The following is Article III, paragraph A. of the Company's Amended and Restated Articles of Incorporation as proposed to be in effect upon the adoption of the Proposal to amend the Company's Amended and Restated Articles of Incorporation:

#### Article III

A. The aggregate number of shares of Capital Stock which the Corporation shall have the authority to issue is 44,000,000 shares, of which 40,000,000 shares, at the par value of \$.50 per share, shall be designated as Common Stock and 4,000,000 shares, at the par value of \$.50 per share, shall be designated as Class B Common Stock.

If the amendment to the Amended and Restated Articles of Incorporation is approved at the Annual Meeting, it will become effective upon the filing of the amendment with the Secretary of State of Florida, which is expected to be accomplished as promptly as practicable after such approval.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE 'FOR' APPROVAL OF THIS AMENDMENT TO THE COMPANY'S AMENDED AND RESTATED ARTICLES OF INCORPORATION.

#### III.

##### RATIFICATION OF THE REAPPOINTMENT OF THE COMPANY'S PRINCIPAL INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

The firm of Arthur Andersen LLP, independent certified public accountants, has been the Company's auditor since 1985 and has advised the Company that the firm does not have any direct financial interest or indirect financial interest in the Company or any of its subsidiaries.

The Board of Directors, on the recommendation of the Company's Audit Committee, has selected Arthur Andersen LLP as the Company's principal independent certified public accountants for the year ending December 31, 1995. One or more representatives of Arthur Andersen LLP are expected to be present at the Annual Meeting, and will have the opportunity to make a statement if they desire to do so, and are expected to be available to respond to appropriate questions from shareholders.
